BRIEF ABSTRACT OF LETTER.

States that the procedure prescribed in G.O. No 900-48/G7, 31.14-1 & 27.8.14., re adjustment of expenses connected with Treasure remittances & the DA of Bare Sepoys forming escort, is not strictly followed by Dcs and proposes certain alterations in the procedure Said

NOTES AND ORDERS.

The procedure laid down according to the G.O. quoted above is :-

1) The amount required should

be drawn on Advance memoranda by the D Cs.
b) Amount spent on account of Remittance of Treasury should be in a detailed bill & submd for audit & part adjustment of the total advance
c) Recoverable Amount given to Barr Sepoys for 'I A te should be entered in a Statement and sent to Chief Comm[r] for deduction by the Comm[r] when of the amount on the Audited I A bills are cashed, the excess of these advances not recovered from the I A bills being recovered from the pay of the party Concerned

2. The difficulty complained of is not about the first ~~of the Statement~~ two items, but the third viz (c) and is as follows:-
1) Statements of recoverable advance are not received regularly

and that the disposal of the I A bills is delayed for non receip of them.

ii) no uniformity is observed in paymen of Railway fare to Sepoy Sometims credit Note to Rly Co' being issued instead of cash advanc to the party to meet Rly fare

3. The Ch. Commandant now proposes that the ~~extended~~ issue of Railway Credit Notes may be introduced in all cases ~~it is not clear if this~~

~~4. Does Subsidiary Rules cover~~ ~~any made and the understanding~~ ~~this~~

4. It is a point for Consideration whether this splitting up of the charges by allowing the Railway fares of the Sepoys being adjusted on receipt of their

bills and by asking the DCs to continue to prepare statements as before for the remaining amount advanced to the Sepoys, will not give rise to some confusion in debiting the charges to the particular head, If the IA charges of the Sepoys were debitable to the Mills Dept, ~~it~~ the proposal would have been adopt. The present ~~practice~~ procedure is evidently intended to avoid such confusion and the change proposed may not therefore be desirable.

~~Should it be decided in connection with delay~~

5. The D.C. of Mysore who has introduced this practice of giving credit notes, may be told that the practice is unauthorised and the procedure laid down in G.O. quoted above should be adhered to.

Put up two draft letters accordingly one to the C.C and the other to the D'Cs

It may also be said in the letter to the C's that his suggestion about adopting the credit note system in all cases will be considered & orders passed in due course. But this will not entirely obviate the grant of advances, as better will be obtained and the difficulty in the present instance would still continue. But as soon as D'Cs get accustomed to the new rules these difficulties may be expected to disappear.

9. After issuing these letters take up this question of credit note system and put up a draft circular regarding it saying that in all such cases whereby journeys are to be performed cash advance for the Pay train should not be made but on the other hand the required Pay accomodation obtained under the credit note system.

that by adopting this system there will be no need to advance any money to the Bar Sepoys and there no monthly statements from DS Comrs as required by para 2 (d) of G.O. of 27.8.'14 will be necessary.

It is however not clear if this view is correct. Advances are given to Bar Sepoys not merely for Ry fares but also for their Subsistence charges. ~~Even if nothing is given~~ It is therefore not correct to say that when credit notes are issued there will be no need to sanction any advances. Even if cash advances are not given ~~hereafter~~ the adjustment of the credit notes will require the C.C. getting information from the several Treasuries and sending a consolidated bill supported by credit notes to the Govt. ~~for~~ Without this it will not be possible for the Govt to make the adjustment and it is not therefore clear how the C.C. can dispense with statements from the D.C.'s.

Sir,

I have the honor to state that the procedure prescribed in Government Order No.Fl.900-48/G.F.31-14-1 dated 27th August 1914 in regard to the adjustment of expenses connected with --- Treasure remittances and the travelling allowances of Barr Sepoys forming the escort, is not being strictly observed by the Deputy Commissioners of Districts.

2. The statement referred to in Sub-para (d) of the Order are not forwarded to this Office regularly and in consequence the travelling allowance bills of the Infantry Regiments from September 1914 are pending in this Office undisposed of.

3. In spite of reminders issued from this Office the Deputy Commissioners of Bangalore, Hassan, Kolar and Tumkur Districts have not sent in their statements yet.

4. Further no uniformity is observed in the payment of Railway Fare etc; e.g. the Deputy Commissioner Mysore District does not advance any money to the Barr Sepoys accompanying remittances but he issues credit notes only for the Railway journey.

5. In the circumstances I request that Government may be pleased to direct that the practice of issuing Railway credit notes for the Railway journeys of treasure escorts be enforced in all Districts, including Taluqs, as by this arrangements there will be no need to advance any money to the Sepoys and no monthly statements will be necessary from the Deputy Commissioners. The credit notes

notes will be sent up by the Railway Auditor regularly for adjust--ment; and the Commandants of the Infantry Regiments will be asked to draw batta only for the sepoys for such journeys. If this --- proposal would meet with the approval of Government very early -- orders may be kindly issued in the matter.

6. Further, as a special case the accompanying eleven --- Travelling allowance bills may be kindly sanctioned and forwarded to the Comptroller for audit without the Deputy Commissioner's statements and payment at an early date. The Commandants will be ordered to adjust the amounts advanced, if any, after the bills are cashed. Early orders solicited.
